

REVISED BID FORM #1
00 41 43

The Proposal of _____ (hereinafter called "Bidder), in compliance with your Advertisement for Bids for the Village of Verona Main Street Water Line Replacement Phase II having examined the specifications with related documents and the site of the proposed work, and being familiar with all of the conditions surrounding the proposed project (including the availability of materials and labor), hereby proposes to furnish all labor, materials, and supplies to complete the work in accordance with the contract documents within the time set forth therein and at the price stated below. This price is to cover all expenses incurred in performing the work required under the bidding instruments, of which this proposal is a part.

The undersigned Bidder does hereby declare and stipulate that this Proposal is made in good faith, without collusion or connection with any other person or persons bidding for the same work, and that it is made in pursuance of and subject to all the terms and conditions of the construction drawings and detailed specifications pertaining to the work to be done, all of which have been examined by the undersigned.

The bidder hereby agrees to commence work under this Contract on or before a date to be specified in a written "Notice to Proceed" and to substantially complete the project by Friday, May 30, 2014. The Bidder further agrees to pay, as liquidated damages, the sum of \$1,000.00 for each consecutive calendar day that expires after the time specified for completion until the Project is fully complete.

The Bidder hereby agrees that preference will be given to domestic construction material and further agrees to require subcontractors, material men, and suppliers to also give preference to Ohio construction material.

The Bidder acknowledges receipt of the following addenda:

No. _____	Dated _____	No. _____	Dated _____
No. _____	Dated _____	No. _____	Dated _____

The undersigned Bidder, _____ having carefully examined the site and location of the construction work proposed to be performed, also the premises at and adjacent to the location of the proposed work and the means of approach to the various parts of the work, and having also carefully examined the detailed plans and specifications and the site which shall govern the construction of the work to be done:

BIDDER acknowledges that bid quantities are estimated for bid purposes and said quantities are not guaranteed, and are solely for the purpose of comparison of Bids, and final payment for all Unit Price Bid items will be based on actual quantities provided, determined as provided in the Contract Documents. The Village of Verona reserves the right to add or delete such quantities within the scope of the project as deemed necessary without in any way invalidating the Unit Prices bid.

Any item not specifically shown or called out on the plans or within the specifications, but is required to complete the work in place, shall be included in the bid item that is most closely associated with that portion of the work. The signer of this Bid Form as bidder declares that he will contract to do all the work and furnish all the materials called for by said plans and specifications, in a manner and on the conditions required for the following prices to wit:
