Mote & Associates, Inc. recently held an Open House on Thursday, September 6, 2012 to celebrate 40 years of service to the community. A popular display that sparked the interest of many attending included various computers and surveying equipment used at our firm over the past four decades.

Certificates of Recognition for our years of service were presented to the owners of Mote & Associates by the Darke County Chamber of Commerce, City of Greenville, and the House of Representatives of the 129th General Assembly of Ohio.

Thank you to our business associates, village and government officials, present and past clients, and members of the community who joined us for our 40th anniversary celebration.
