Re: Jefferson Township, Preble County  
Hollansburg Road Improvements

This Addendum forms a part of the Contract Documents and modifies the original Contract Documents dated December 2019. Acknowledge receipt of this Addendum in the space provided on the Bid Proposal form. Failure to do so may subject the Bidder to disqualification.

### **CHANGES/CLARIFICATIONS TO THE DETAIL CONSTRUCTION PLANS**

#### **1. General Notes – Sheet #3 of 8**

A. The following section G) shall be added to General Note #9 regarding Maintenance of Traffic:

G) The closure of Hollansburg Road at the location of the culvert replacement shall be no more than 30 days with local traffic maintained on both sides of the closure location.

#### **2. Plan & Profile – Hollansburg Road Culvert – Sheet #4 of 8**

A. The connection of the proposed 10” conduit to the existing 10” tile at each end of the new culvert shall be field directed by the Engineer using non-shear Fernco couplings to make the connections.

B. The connection of the proposed 6” breather pipe to the proposed 10” conduit shall be positioned by rotating the tee so that the 6” breather falls at a 12 o’clock position (crown) of the 10” pipe.

#### **3. Plan & Profile – Hollansburg Road Improvements – Sheet #5 of 8**

A. The farm field to the south of the culvert replacement shall be re-sloped to the 6” reinforced concrete slab at the culvert inlet to provide no greater than a 3:1 slope.
